WELCOME TO THE 2026 MERLIN ACCESSORIES AND SPARE PARTS PRODUCT GUIDE

As the global leader in residential access solutions, Chamberlain are committed to delivering consistent dealer satisfaction.

Backed by over 60 years of worldwide experience, we are constantly evolving our product mix to match changing customer needs.

Every product we manufacture is done with the purpose of delivering safety, security and convenience across our portfolio.

HOW TO USE THIS BOOK

Our 2026 Merlin Accessories and Spare Product Guide has been designed to provide critical information in an easy to read format. Before making an order, check through this book for all available products.

Some of our older products are no longer widely available. Please contact your sales manager or customer services on 1800 638 234 to ask about stock availability.

WARRANTY INFORMATION

Our aim is to provide our dealers with best in class warranty policy on our product range. Our accessories carry a 12 month warranty and spare parts carry a 6 month warranty. This information is outlined within the terms of sale.

HOW TO IDENTIFY THE CORRECT RADIO FREQUENCY (RF)

The Chamberlain product range spans several generations of wireless technology. Please use the table below to identify the different RF.

Please note CAD RF OEM product refers to compatible third party products sold over the past decade.

	Chamberlain RF Security+ 2.0	**Chamberlain RF** Security+	**Legacy RF** Merlin	**CAD RF** Third Party OEM Product
CODE TYPE	Rolling Code	Rolling Code	Rolling Code	Billion Code
FREQUENCY	433.30, 434.54, 433.92MHz	433.92MHz	433.92MHz	433.92MHz
BAND	AM	AM	FM	AM

SPARE PARTS AND INSTALLATION PARTS

Important safety information is contained in the product installation and operation instruction manual.

Please read the manual thoroughly before proceeding with any service work.

Speak to the technical staff at Chamberlain if you have any further questions. Please call **1800 638 234** for assistance.

If the supply cord is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid hazard.

WARNING! for products containing coin/button cell batteries.

- The battery is hazardous.
- Product contains coin/button cell battery.
- Keep product and batteries away from children.
- Battery can cause severe or fatal injuries in 2 hours or less if swallowed or placed inside any part of the body.
- Seek immediate medical attention if it is suspected that a coin/button cell battery has been swallowed or placed inside any part of the body.

WE'D LOVE TO HEAR FROM YOU

Each year, we provide our dealers and their teams with this book to use. We would like to know how you use this book, what you do and don't like. Send your feedback to **marketing@chamberlainanz.com**.

We look forward to continuing working with you.

Thank you,
Chamberlain Group

Part Number	Description
041A0319	Cover with screws branded
041A0308	Release assembly with keys mounting screws assembled
041A0320	Key release cover
041A0311	Motor with coupling & mounting screws assembled
041A0287	PCB cradle with PCB cover
041A0290	PCB with antenna and LCD screen
041A0462	LCD screen for gate opener
041A0291	Filter – PCB filter board holder/cover
041A0286	Transformer 96VA
041A0313	Transformer cover
041A0314	Magnetic reader PCB holder cover mounting screws
041A0323	45mm slider base plate
041A0316	Encoder magnet holder with magnet & mounting screws
041A0292	Power cord with plug (1.5m length)
041A0293	Low voltage power cord without plug (1.5mlength)
041A0324	Slider base grommet
041A0342	2pcs replacement gate key for the release lock
041A0341	30mm slider base plate
041A0359	2mm hot dip galvanised slider base plate packers
041A0360	6mm hot dip galvanised slider base plate packers
041A0361	10mm hot dip galvanised slider base plate packers

Spare parts are shown in the diagram on the opposite page.
